

Randolph H. "Randy" Braase

Randy Braase served in the 2nd Platoon of the 101st RRC from 1969 into 1970. Prior to that, he was with the 404th RRD on LZ English (Bong Son) supporting the 173rd Airborne Brigade.

Randy enjoyed life, always finding the humorous side of everything. When he was approaching his ETS, he applied for and got a job with Pacific Architects and Engineers (PA&E) in Nha Trang. Following a lot of paperwork, he ETSed in-country and went down the road to report for his new job with PA&E. It wasn't long before he came back to visit us, driving his newly purchased car, a yellow 1957 Plymouth, I believe.
