

Steven R. (Steve) Rollins

Steve Rollins was a member of the 2nd Platoon of the 101st Radio Research Company in 1970 and 1971. Steve was a great guy. Everybody loved him. He could always be counted on for one antic or another to lighten the mood. At the COMSEC reunion in 2000, Steve had a little more girth (like most of us), and his hair was not as dark, but his attitude towards life was unchanged.

Born in October 1948, Steve succumbed to a long term illness and passed away in June 2025, at age 76 and is interred in the Dallas-Ft Worth National Veterans Cemetery. He leaves behind his wife Ann, who was his wife when we met him in 1970, and a daughter Amy.
